Hello all,

There is a professional video that LA Tourism and Convention Board made of San Pedro this year. It may be online on their website under

[Neighborhoods.discoverlosangeles.com](http://Neighborhoods.discoverlosangeles.com).

Then click on the San Pedro region and the video is there.

To Whom it May Concern in San Pedro tourism,

I am working on a special for ABC-TV and it would be great to have footage of the town sign (City of San Pedro, Welcome to San Pedro, the freeway leading into the town w/highway signs or exit signs). By chance, do any San Pedro tourism films exist from the 1990s?

Thank you for your time and help with this.
